

*On behalf of the ASMBBS
Communications Committee*

You're Invited!

Teleflex invites you to a clinical training reception designed for Fellows interested in the Titan SGS[®] stapling system. Participants will learn about the anatomy-based approach to sleeve gastrectomy pouch creation using Titan SGS from experienced surgeons and proctors. Participants will also have access to hands-on device demonstration stations.

RESERVE YOUR SPOT NOW.

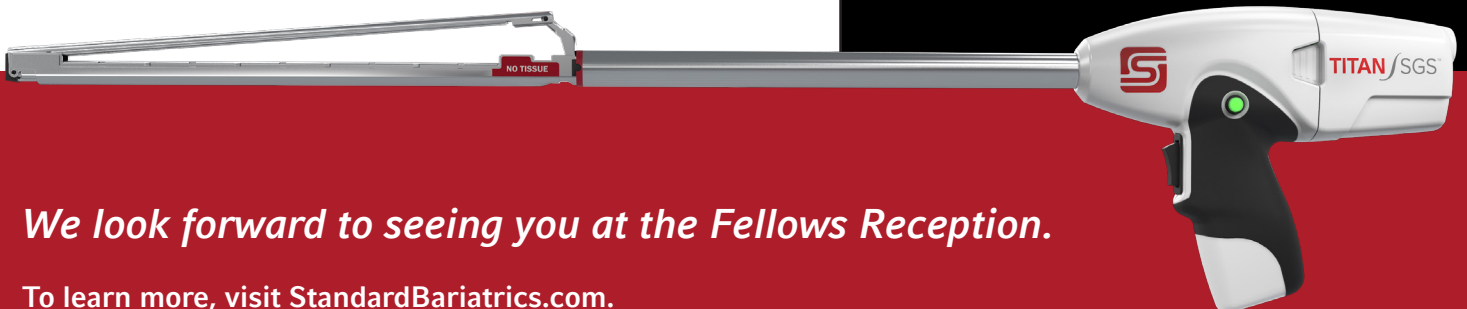

RSVP to Justin Clements,
Director, Surgical Clinical Affairs, Teleflex,
at justin.clements@teleflex.com.
